Letter to C. H. Shipman.

Dear Sir: \$10 a year; lead-and-oil, \$22.

Mr. McMullin, late cashier of Patapasco National Bank, of Ellipton City, Md., painted his house—Devore—in 1885. It wore 17 years at a cost of less than \$10 a year.

Mr. Harold Hardinge, the present cashier painting his house—three coats lead-and-oil—it wore six years, at a cost of \$22 a year. He then repainted Devore; said he wanted the paint that cost least by the year.

This is important; such comparisons are extremely rare. We know the general fact, however.

The paint that goes farthest, wears longest; always.

Yours truly,

F. W. Devore & Co.
